PRESIDENT’S SPEECH AT AGM OF COSMOS ON Sunday 19th November 2018

Dear Brothers,

Assalamu Alaikum Warahmatullahi Wababaraltuh

بسم الله الرحمن الرحيم

I address you as the 4th President of the Council of Sri Lankan Muslim Organization UK (Cosmos UK) and this is my last speech as president of this wonderful organisation. It is good to see representatives of our affiliate organization attending this Annual General Meeting. I am honoured, privileged and thankful to have all of you here at SLMCC today and supported throughout my tenure for almost three years. Although as I am thanking all of my office bearers, executive members but I must name one of them out of all is our General Secretary Mr Shakeer Nawas who was with me day in day out throughout my Presidency. We helped each other in good and bad times to benefit this organisation. I must also thank all our ex-presidents, all three of them helped, advice when needed throughout my tenure but Mr Mubarak and Mr Azahim Mohamed names should be mentioned here. Mr Azahim Mohamed was one of my pillars of support throughout.

As you all know Cosmos UK was established in 2012, now almost nine-plus years, out of that my services to this organisation is almost seven years which is almost ¾ of the time of COSMOS UK. Alhamdulillah, I am honoured to lead this organisation last almost three years and two terms as General Secretary. I did my best to the community and as well as to the organisation. COSMOS UK is mostly well known to many not only among SL Muslims but also very well known to wider Muslims all around the world and among non-Muslims too. There are so many occasions there were many individuals/organisations/institutions approached us by all sort of life when it comes to any Sri Lankan Muslim matters needed to discuss.

I am sure our Secretary will produce all or most of the activities since our last AGM but let me highlight few important ones which I believe is vital.

1. Organised wonderful Sri Lanka’s Independence Day celebration in 2019 at SLMA Slough premises, was attended by more than five hundred people from all communities, Chief Guest was then SL High Commissioner H. E Manisha Gunasekera, the special guest was Hon Tan Dhesi (MP for Slough) and council members from Slough Borough Council.
2. Meeting with various British officials, Ministers and MPs to address the plight of the Sri Lankan Muslims who suffered racial attacks in Digana, Ampara, Kurunagala, Minuwangoda and various other places.
3. Hosted World Forum for Sri Lankan Muslims Conference at Marriott Hotel in London. As far as I am aware conference of this calibre outside Sri Lanka is the first time hosted and it was a successful one. Many delegates from many parts of the world attended and
Alhamdulillah, we thank whoever supported to host this successful conference in London.

4. Establishing our own APPG was very much myself and Br Azahim Mohamed effort, we both tirelessly work hard to bring where we are now. Alhamdulillah now we have 13 members in the APPG and many MPs are aware of the group as well as our organisation. To get here we all put in so much hard work and we thank you for all of them. I take this opportunity to thank our APPG chair Hon. Blackman and all member MPs.

5. Forced cremation was the biggest issue we as Sri Lankan Muslims faced since we established, I must say it was a very successful campaign we as a responsible organisation we took a very successful campaign with MCB to address this issue on various levels. We made this issue international, we manage to contact OIC, UNHRC officials, Lord Ahamad, international HR activists and many dignitaries to address this issue. We had many appreciation messages from various community members from Sri Lanka.

6. Finally FCO Meetings: never missed any meetings, usually all their meeting are weekdays, I am the only Muslim representative speak on behalf of our community and have never been shying away to put forward our community issues to the FCO officials including the British High Commissioner to Sri Lanka. Our organisation is well recognised by the FCO officials and we are known to them for any future engagements.

As years to come, Cosmos UK will have a greater involvement and will be called to play a role in standing up for Sri Lankan Muslim communities in Sri Lanka and in the UK.

I cannot leave without mentioning a few names. Whose help and support I have been privileged to enjoy. Mubarak Junaideen, Azahim Mohamed and Rizwan Wahab for their advice and tireless support. Shakeer Nawas our Secretary for the support throughout my tenure. Our Treasure Mukshid Zawahir and Ubaid Abdeen were always there whenever we needed. And to all the Executive Committee members and the affiliates for their support given to me to take Council of Sri Lankan Muslim Organisation UK (Cosmos UK) to another level.

Finally, I invite all of our members to consider the guidance provided in the passage “By (the Token of) Time (through the ages), Verily Humankind is in loss, Except such faith, and do righteous deed, and (join together) in the mutual teaching of Truth, and of Patience and Constancy.” – (Quran 103:1-3)

Liyas Abdul Wahid
President
Council of Sri Lankan Muslim Organisations. UK
6th Annual General Meeting 2018

Date: Saturday 11th November 2018
Time: 5:00 pm - 7.30 pm

Venue: SLMC - East London

Attendees: The meeting was chaired by the President of COSMOS UK Mr Azahim Mohamed, General Secretary - Liyas Abdul Wahid, Executive committee members, over twenty-five attendees from all our affiliated organisations, and few observers from outside of our affiliated organisations.

MINUTES

I. AGM Start – 6th AGM was started at 5:00 pm by Reciting a Chapter of Quran

II. Welcome Speech – The meeting was Chaired by Mr Azahim Mohamed, Chairman of COSMOS UK and followed by his Welcome speech. He thanked everyone made effort to come to the AGM and then for their corporation throughout the year in various Cosmos activities:

Followings noted from Mr Azahim's speech:
- "As the President Council of Sri Lankan Muslim Organization UK (Cosmos UK). It is good to see representatives of our affiliate organization attending this Annual General Meeting. I am thankful for the privilege of being surrounded by an excellent team of volunteers who have spent countless hours discharging their roles within the Executive Committee and its subcommittee.

- Two excellent years where the Cosmos achievements have been numerous and significant. All events undertaken during the year 2017 and 2018 is mentioned in the General Secretary's report. My heartfelt thanks go out to each of the organizers, who with their team exemplified dedication in their preparation. The vast amount of time invested in their effort to plan and coordinate was evident with the consistent outcome of such wonderful events as the Independence day celebrations, Leadership event, Media and TV events, organizing events for visiting Sri Lankan Minister and MP's.
Discussion on Sri Lanka Constitution, Meeting British Minister and MP’s to discuss the Plight of the Sri Lankan who suffered racial attacks in Ampere, Gintota and Digana.

- The formation of the All-Party Parliament Group. Headed by Bob Blackman MP and other MP’s and members of the Lords are a significant achievement. Today we have a voice to speak out for the Sri Lankan Muslims in the House of Commons. Let me thank the Minister of State for South Asia and Asia pacific Hon Marks Field MP for taking up our Sri Lankan Muslims issues in the House of Commons. And the number of MP’s questioning the Foreign Secretary on many occasions. What we need to do is that we get more MP's to the APPG. This can only be done by our affiliate’s members by requesting their MP's to join the Group. Cosmos UK is now part of the Foreign and Commonwealth team representing the Sri Lankan Muslims.

- Meeting about Cosmos UK meeting with the Sri Lanka President HE Srisena in London. Secretary Bro Liyas, contacted the SLHC official requesting a meeting with the President. Our request was well entertained. And a slot was given to us. Later on in the day the SLHC called Br Liyas and enquired if another group along with Cosmos can meet with the President. He rightly agreed. But the other group whose spokesperson was a media person had then refused to be a part of Cosmos. What a shame! To me, this was a missed opportunity. Even at the hotel foyer I met with this groups Secretary and pleaded to go as one united Muslim group. Our meeting with the Sri Lanka President was a tremendous success. But the other group failed miserably. Further Azahim claimed that he recently saw a clip on Facebook where the President talks of the Muslims are not a united group in the UK.

- To this end, the two Muslim groups Cosmos UK and SLMDI met in Leicester. And discussed in length our issues. And we finally, agreed that we need to work together for the Sake of our Muslims Brothers and sisters. We agreed that SLMDI will 2019 Organise the Sri Lanka Independence Day Celebrations and also, help in the arrangements with any demonstration in support of our Sri Lankan Muslims. Cosmos UK will invite the SLMDI to meetings and press briefings with the foreign and Commonwealth Office. Now that we have organised an All-Party Parliamentary Group (APPG) we will invite SLMDI also, to participate. I have been in contact with Secretary
Br Affam Ismail. And hope we can participate as a united Muslim Group in future actives.

- He further thanked Leicester Brothers Haji Sheik Ismail, Yoonus, Sheikh Salman, A W Farook, M R Fazil and Marjan Junaid for arranging this meeting. Cosmos UK Azahim Mohamed, M Liyas, Mukshid Zawahir, Lukman Harris and Obaid.

- SLMDI was represented by its President Nazeer, Afham Ismail and Ayshan Abdullah and two others. We need to continue this dialogue from time to time so as not to break the united flow.

- The Lunch meeting with Muslim Ambassadors and High Commissioner. along with Muslim MP’s and MP’s involved with the All-Party Parliamentary Group had to be shelved for the time being. Due to unavoidable circumstances.

- As years to come, Cosmos UK will have a greater involvement and will be called to play a role in standing up for Sri Lankan Muslim communities in Sri Lanka and in the UK.

- I cannot leave without mentioning a few names. Whose help and support I have been privileged to enjoy. Lukman Harris Cosmos scriber and for his advice and tireless support. Shakeer Nawaz our media man. We have had issues with the Tamil Press and media in getting our PR reported. He was able to break this deadlock. Our reports are now widely reported in all languages. Our Secretary AlHajj M Liyas is a tower of strength to Cosmos UK. “What a Secretary”. Murshid Zawahir our Treasurer and Akram Azeez. SLMCC, Slough Mosque, Kingsbury Mussalla and Sri Lanka East London Mosque. For hosting Cosmos events. And to all the Executive Committee members and the affiliates for their support given to me to take Council of Sri Lankan Muslim Organisation UK (Cosmos UK) to another level.

Bro Liyas welcomed everyone 6th AGM, at Sri Lanka Islamic Centre East London, Pilgrim Way, East Ham. He took the opportunity to thank the President and committee members for providing the facilities to use this venue and providing excellent support. Bro Liyas thanked "current President, all pass presidents, all ExCo members and especially all of our affiliates who supported us throughout our past terms. Liyas also apologised to the members for not having our fifth AGM as we planned last year for various reasons such as we all were busily involved in dealing with the SL Muslim issues.

Cosmos had two good years in terms of providing services with the help of Allah to Sri Lankan Muslims communities living here in the United Kingdom, other Sri Lankan communities, British Muslims, Muslims living in Sri Lanka and Global Communities. Our involvement is not only limited to Sri Lankan Muslims but also various other communities too and we are very much involved in the peace and reconciliation programme to bring permanent peace in Sri Lanka by involving other faith communities. Since the last AGM, we have had few major events which were hosted by COSMOS UK with our member organisation such as the launching of APPG for COSMOS UK, attending eight FCO meetings, hosting many Sri Lankan politicians, meeting visiting Sri Lanka president H.E. Maithripala Srisena, couple of public meetings to discuss SL Muslim issues, leaders meeting at SLMA Slough and Special Gathering to commemorate 69th & 70th Independence Day of Sri Lanka, both events were very successful.

COSMOS UK arranged a public meeting to discuss the ongoing attack against Sri Lankan Muslims in Sri Lanka after Digana, Kandy attack, it was well-received and successful. Since then many of our members have volunteered to join us in our day to day activities.

Since last June 2016, we have had six Executive Committee members meeting in different venues, although attendance records was poor throughout the year. All the meetings were very productive and actioned many proposals. He also wants to thank Vice President Mr Anas Eliyas for his contribution to the organisation and
big thank for our committee members including our treasurer Mukshid Zawahir, Mr Rizwan Wahab, Mr Lukman Harees, Mr Ubaidur Rahman, Mr. Junaideen Mubarak, Rahmatullah Rasheed, Akram Azeez, Fiyaz Hussain. Special thanks to Brother Lukman Harees, Br Shakeer Nawas, Ubaid Rahman for their wonderful service to our media unit. Assistant Secretary Sadat Sadiq for his tireless support for giving number one advice and services throughout last years. All the Activities tell a good story of our productive involvement of the organisation in various events and they are reported as follows:

1. Establishment of All-Party Parliamentary Group (APPG) for Council of Sri Lankan Muslim Organisations (COSMOS UK). It was a historical moment on 28th June 2018, when we managed to establish APPG for COSMOS UK. As you are all aware we all including the president, General Secretary and all other committee members put tremendous effort to achieve this goal which was a success. Alhamdulillah we managed to get the support of five British Member of Parliamentarians to form the group since a couple of more MPs already joined the group.

2. Special Gathering to Commemorate 69th & 70th Independence Day of Sri Lanka.

69th Independence Day was held on 05th Feb 2017 at SLMCC Harrow. Chief Guests was H.E. Amari Wijeyawardena, High Commissioner of Sri Lanka, Special Guests Hon. Bob Blackman, Hon. The meeting was held on 16th June 2017 at 9:30 am and lasted up to 11:30 am Submitted a well-drafted report on SL Muslim issues and explain to the FCO officers our concern in the meeting and it was a successful meeting.

Also, we update regular basis any attacks/concerns to Natalie Gower who is the Secretary to Head of South Asia. Our press release reports have been sent to her to pass on to her department. What we do when attended FCO meeting: Usually it is two-three hours meeting, we discuss things its matter to our community, update on any incidents, we express our concern as British Sri Lankan Muslims. 5. UNHRC and Geneva Workshop:

As we are all aware it is the most important body for human rights issues, it is imperative to have some sort of connection with this body. There are many organisations within the UN, there is an organisation for minorities, where our contacts in Geneva working close with them. Cosmos delegation attended the two-day workshop organised by our brothers in Geneva, we discuss in detail as a diaspora living in Europe, what we can do as one body to pressure the Sri Lanka government to act on minority issues. We also discuss short, medium and long term plans. It was noted that there is not a single SL Muslim organisation register within the UN where we can do lots of influences through UNHRC or other bodies within the UN. Even if we need to call for a side meeting or submit a report we always have to go through organisations/countries that are registered with them. Most of the time country like Afghanistan, Syria etc. This issue we COSMOS taken very serious, we discussed in detail with a couple of individuals who are working in UN, we put our self forward to register/represent with them. Alhamdulillah, we initiated the process of registering COSMOS with them, the initial stage of Profile acceptance was accepted, and we are seriously working on it and Insha Allah we will make sure our representation inside UN body.

It is important we keep a healthy relationship with the high commission as it is the point where we can have a connection with SL authorities. We also met Mr Haleem when he was appointed, and we are closely working with him too.

05th October 2017: Meeting with Mr Haleem- new Secretary to the HC and replacement for Mr Yoganathan. Mr Azahim Mohamed, Mr Mukshid Zawahir and Mr Liyas Abdul Wahid attended the meeting at 4:00 pm. It was an introductory meeting and he promised us to have a good relationship with Cosmos. We have been invited for their events such as Iftar, Deepavali, Avurudu, Independence Day celebration etc. we always make sure our representation is there.

12. COSMOS UK-SLMDI Relationship: As many of you are aware historically there was some friction between the two organisations which got waste when we went to meet H.E Maithripala Sirisena in London. Both organisations thought it was both parties interest we reconcile our self, going forward we both organisations work together for the betterment of the community. With regards,

**8th Annual General Meeting-Secretary’s Speech**

19th September 2021

Assalamu Allikum W W,

I would like to welcome everyone here tonight for our 8th AGM, at Sri Lanka Muslim Cultural Centre (SLMCC), Harrow. May I take this opportunity to thank the President and committee members for providing these facilities to use this venue and providing excellent support. Also, may I thank our current President, all past presidents, all ExCo members and especially all of our affiliates who supported us throughout our past terms. May I also apologies to the members for not having our seventh AGM as we planned last year mainly due to lock down and Covid 19 Pandemic.

The motto of Cosmos UK as revealed in the Quran “And hold fast, all together, to the rope of Allah and be not divided among yourselves”- Al Quran 3:103. This is indeed very relevant to all
of us in this current political and social context and we must understand the power of Unity for
greater strength where divide and rule has become the norm of this world to distract and bring
conflict amongst all communities. We have seen the consequences of this in our own eyes in the
recent years in many parts of the world including our beloved motherland.

I wish to Thanks Our President Bro Liyas Abdul Wahid who has served COSMOS UK for over
7 years in Secretary and President role in most difficult and Challenging time of Sri Lanka. I
must admit he is a honest, wonderful leader who love to impart knowledge and share his
experience and wisdom. I really enjoyed and privileged to be the General Secretary during his
tenure. Liyas is a commited and Focussed leader who stood with his decisions and principles
and made some firm stance backfired amongst members and lost some members but I can
confidently say this was his style of Management and he always had good intenentions for the
organisation as a whole.

I also wish to Thank and show our gratitude to our Past Presidents Bro Azahim Mohamed, Bro
Mubarak and Bro Rizwan who has served this great organisation and guided me and our team
very well. They have maintained highest standards and we need to continue this legacy for the
benefit of our future generation.

Sadly, we are going to miss some of our long served Executives such as Bro Anas Elias who
played an important and vital role in Cosmos Executive meetings and always very honest and
critical in his opinions for the betterment of our organisations. He has come forward in many
Public forums to defend Cosmos decisions and we really value and appreciate his actions.
Further Bro Luckman also played an important role in Cosmos although he is not in any position
in last 2 years. His writings, report reviews have helped in COSMOS to draft some of the
excellent reports and diplomatic letters to many.

I have failed my duty If I don't mention about Bro Mukshid who is a wonderful supporter in our
work as responsible for finance. I must also name few members like Bro Hussain Fiyaz, Bro
A wonderful young talent in our community Bro Adil and all other Executive members always
ready and supported in our activities. THANK YOU ALL. Without your supports we would not
be able to achieve many positive results to our community here in UK and Sri Lanka.

**Some Activities of COSMOS UK in November 2018 to To date**

Our President has already mentioned some of the highlights and important tasks we have taken
during our tenure in his report and we have our Press Releases in our Website with all our
activities uploaded for further information. I have summarized some points and activities for the
benefit of our audience.

In recent years the amount of violence and attacks against minorities is sharply rising in many
parts of the world including Sri Lanka. Cosmos UK is in the forefront in highlighting these
issues and finding a solution to curb these regular occurrences through organizing discussions,
involving in peaceful coexistence events, organizing multi-faith events, media participation's,
leaders/ community meeting etc. In recent years Cosmos UK has highlighted the issues through
the All Party Parliamentary Group Cosmos (APPG Cosmos), meeting and discussions with Sri Lanka Government officials who visit UK, engage positively with Sri Lanka High Commission officials in London, active participation with Civil Society movements etc.

Cosmos as an organisation in last three years faced many challenges in terms of providing services with the help of Allah to Sri Lankan Muslims communities living here in United Kingdom, other Sri Lankan communities, British Muslims, Muslims living in Sri Lanka and Global Communities. Our involvement not only limited to Sri Lankan Muslims, but also various other communities too and we are very much involved in Peace and reconciliation programme to bring permanent peace in Sri Lanka by involving in other faith communities. The major challenges and resources were during this term was spent on organizing World Forum for Sri Lankan Muslims Conference in UK in 2019. The inauguration of this event was held at SLMCC - Harrow on 18.10.2019 and Conference was held at London Mariot Hotel on 19th October 2019. In line with Cosmos UK proactive approach this World Forum for Sri Lankan Muslims Conference UK – 2019 would be another foundation in bringing various international diaspora organisations under one roof to discuss matters and implement conference outcomes for the benefit of all Sri Lankan's.

Since October 2019 we had many Executive Committee members meeting and various Emergency meetings in different venues including

South London Islamic Center- Modern (6/01/2019)
