Great Britain and Northern Ireland

Sir,

The Board of Management, Members of the Executive Committee, and the Members of World Forum For Srilankan Muslims are deeply saddened and devastated by the death of Our Queen Elizabeth at the age of 96 this afternoon. Our profound condolences is expressed on behalf of WFSLM . Passing way of our cherished Queen is the saddest moment for our community and community at large.

The Queen was kept in affection by the people of the World and the commonwealth of nations in particular. Her Majesty served with loyalty and dignity and her duty to the Nation and people with indefatigable dedication is exemplary and it is an example to us all. Her charm, stamina and commitment is universally admired and her humour was rewarded by the public.

Her steadfastness and loyalty serving with humility will be remembered. Our grief is deep. May the late Queen rest in peace and rise in glory.

I have the honour to Remain Sir,

Your Most Obedient Servant
